APPENDIX A

Earned Income Tax Credit (EITC):

EITC is a benefit for working people who have low to moderate income. This tax credit reduces the amount of tax you owe and may also result in a refund. You must understand that you have to report income changes because it may affect the amount of premium assistance (or tax credits) you may be eligible to receive. If you receive too much premium assistance (or tax credits) during the benefit year, you will need to pay the extra premium assistance back to the IRS when filing for federal income taxes for the benefit year.
